THE SMALL COUNTRY WEEKLY has us vital a mission in the life of American citizens as the metropolitan daily with circulation in the millions. Perhaps the small weekly is even more a "forum for freedom" than its metropolitan brother. Because readers of a small paper are close to their editor. They meet him on the street and tell him what they think of the way the world goes. He gives his side and they agree—or disagree in true American style.

THE SMALL COUNTRY WEEKLY has us vital a mission in the life of American citizens as the metropolitan daily with circulation in the millions. Perhaps the small weekly is even more a "forum for freedom" than its metropolitan brother. Because readers of a small paper are close to their editor. They meet him on the street and tell him what they think of the way the world goes. He gives his side and they agree—or disagree in true American style.

THE SMALL COUNTRY WEEKLY has us vital a mission in the life of American citizens as the metropolitan daily with circulation in the millions. Perhaps the small weekly is even more a "forum for freedom" than its metropolitan brother. Because readers of a small paper are close to their editor. They meet him on the street and tell him what they think of the way the world goes. He gives his side and they agree—or disagree in true American style.

THE SMALL COUNTRY WEEKLY has us vital a mission in the life of American citizens as the metropolitan daily with circulation in the millions. Perhaps the small weekly is even more a "forum for freedom" than its metropolitan brother. Because readers of a small paper are close to their editor. They meet him on the street and tell him what they think of the way the world goes. He gives his side and they agree—or disagree in true American style.

THE SMALL COUNTRY WEEKLY has us vital a mission in the life of American citizens as the metropolitan daily with circulation in the millions. Perhaps the small weekly is even more a "forum for freedom" than its metropolitan brother. Because readers of a small paper are close to their editor. They meet him on the street and tell him what they think of the way the world goes. He gives his side and they agree—or disagree in true American style.

THE SMALL COUNTRY WEEKLY has us vital a mission in the life of American citizens as the metropolitan daily with circulation in the millions. Perhaps the small weekly is even more a "forum for freedom" than its metropolitan brother. Because readers of a small paper are close to their editor. They meet him on the street and tell him what they think of the way the world goes. He gives his side and they agree—or disagree in true American style.
